Transaction Announcement

Houston based Construction EcoServices II, Inc. sells to Greenrise Technologies LLC

July 7, 2022

Houston TX - Construction EcoServices II, Inc. ("CES"), a leading provider of stormwater management compliance systems and services, announced that it has been acquired by Greenrise Technologies, LLC ("Greenrise Technologies"), headquartered in Nashville TN.

JOSEPH HALE ADVISORS ("JHA") provided merger and acquisition advisory services to CES founder and owner Bob Adair, which included valuation, advisory, a structured sale process, and transaction due diligence and negotiation.

CES has been providing innovative stormwater management systems and turnkey compliance services to the design, construction and commercial property management market throughout Texas and Louisiana since 2002. Servicing the Dallas, Fort Worth, San Antonio, Austin, and New Orleans markets from its headquarters in Houston, CES provides unmatched experience and the highest level of compliance across the entire lifecycle of development, with a focus on innovation and problem solving, to lead the stormwater industry towards more robust and cost-effective practices.

CES founder Bob Adair said: *"I was fortunate to have Paul Rath and the JHA team by my side throughout this process. Their deep M&A experience and unique combination of skills were critical to delivering a successful exit for me, with the right partners. I'm absolutely confident that CES and my team will play an important role in the continuing rise of Greenrise Technologies."*
